Questions?

Access Health CT relies on  
Community Partners to help build  
healthier communities and a  
healthier Connecticut.

# Webinar Series: Immigration and LGBTQ Outreach Webinars Scheduled

The next three events in our ongoing series designed for Community Partners have been scheduled for August.

- **Upcoming Webinars: Immigrant Eligibility, Application Requirements, and Outreach with Access Health CT**

We will host two webinars to discuss important policy issues concerning immigrant eligibility and the requirements for applying for coverage through Access Health CT. We will also share more information about Access Health CT's outreach strategies to recent immigrants. Both webinars will cover the same content, except one will be conducted in English and the other will be conducted in Spanish. **Please click below to RSVP!**

**Webinar in English on August 17th at 1:00 PM**

**Webinar in Spanish on August 18th at 1:00 PM**

- **Upcoming Webinar: Outreach to LGBTQ Communities**

On **August 31st at 1:00 PM**, please join us for a webinar about outreach strategies to LGBTQ communities in Connecticut. On this webinar we will go over key terms, provide information about important health benefits that affect LGBTQ communities, and discuss access to healthcare and services.

**To learn more and RSVP, please click here**

- **Review our previous webinars**

In July we hosted two webinars for partners like you – you can see the full presentations on our Community Partner website located at:

**[Learn.AccessHealthCT.com/community](https://Learn.AccessHealthCT.com/community)**

# Save the date: Community Conference

Access Health CT is excited to announce that we are hosting our first statewide Community Conference on **Thursday, October 13, 2016** - please save the date! We will share more information with you shortly including featured speakers, panel sessions, and logistics.

If you have any questions about this event, please contact us at [outreach@accesshealthct.com](mailto:outreach@accesshealthct.com).

## What to expect from Access Health CT

This year, Access Health CT has expanded outreach efforts so that we are actively deployed in the community throughout the year. The pre-enrollment and post-enrollment periods are a critical time for our consumers; and Community Partners help us provide the resources needed to enroll in a plan, and the support to make sure they stay enrolled. By being engaged with our Community Partners and consumers well before and after the Open Enrollment period, we can help consumers make the best choice for health coverage and get the most out of that coverage.

As we continue to create new materials and resources to guide consumers through the enrollment process, we are also planning our direct mail and social media outreach as well. Soon we will share our updated materials with you so you are equipped to help us support our consumers.

New educational materials, updates and event announcements will be posted to the [Community Partner Website](#) regularly. When there are major updates to this webpage, we will send you an email to let you know. Your feedback on these resources is critical and we encourage you to share your thoughts at webinars, events, or by [contacting us](#).

## Do you have questions or feedback for us?

We are working hard to plan events, webinars and other opportunities that are worthwhile to our Community Partners. If you have any suggestions for new events, opportunities for us to support you, or if you have feedback on the events in which you've participated, we would appreciate you reaching out to our team.

Please contact our Community Outreach Team at:  
[outreach@accesshealthct.com](mailto:outreach@accesshealthct.com) or (860) 327-5517.

Thank you,  
Access Health CT
