“HIDDEN FIGURES”

SHOWING AND DISCUSSION

9:30 a.m. – 12:30 p.m.

Showcase Cinemas,

286 Canfield Ave.,

Bridgeport, CT

“Hidden Figures” tells the story of how three brilliant African-American women at NASA -- Katherine Johnson, Dorothy Vaughan and Mary Jackson -- serve as the brains behind one of the greatest operations in history: the launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race and galvanized the world.

Saturday Academy students will be bussed from the University of Bridgeport to the theater free of charge.
