

BRIDGEPORT PUBLIC SCHOOLS

COMMUNITY CONVERSATIONS

REGARDING FISCAL CONDITION OF BPS

A Message from the Superintendent

We invite you to join us at our community conversation which will be scheduled throughout the course of the school year.

Our schools have suffered from an enormous amount of budget cuts which have led to the **loss of kindergarten paraprofessionals, home school coordinators, math/literacy coaches, attendance liaisons, and the reduction of family resource centers, just to name a few.**

The future of our schools depend greatly upon having the power of your collective voice involved in this critical conversation over the course of the year.

To that end, we encourage you to attend and participate in a discussion on the importance of adequately funding our schools and the lasting impact it will have on the success of our children.

Regards,

Aresta L. Johnson, Ed.D.
